PROFILE

First year student at the University of Sydney. Looking for opportunities to learn more about the web-development / software development role. Proficient in developing in Python and Java, analyzing and visualizing data sets in R and excel.

EMPLOYMENT HISTORY

Jul 2021 — Oct 2021	Game Development, Freelance	Ho Chi Minh City
Developed from the ground up a mini 2D shooter game with the Game-Maker Studio 2 platform. The game has multiple features such as varying gun spray based on the direction the player is shooting, high-score system and a dynamic enemy spawn system based on the amount of kills the character has in the current round.		
Dec 2022 — Jul 2023	Python Developer, Freelance	Sydney
Currently developing an application that focuses on assisting elderly individuals with keeping track of their personal accounts on the internet. The application features a SMS 2-factor verification with a phone number the user has provided. The program works in tandem with a locally stored SQL database which is encrypted to enhance cybersecurity.		

EDUCATION

Oct 2022 — Jun 2025	Bachelor of Science, Computer Science / Software Development, University of Sydney	Sydney
Recipient of Sydney International Student Award - 20% scholarship		
Semester 1 WAM: 60%		
May 2020 — May 2022	IB Diploma, American International School Vietnam	Ho Chi Minh City
Achieved one of the best marks in IB History Higher Level.		

SKILLS

HTML & CSS	SQL / Relational Databases
R	Python Programming
Git	Java Programming

LANGUAGES

Vietnamese	Native speaker	English	Highly proficient

EXTRA-CURRICULAR ACTIVITIES

Aug 2020 — Oct 2020	TedxYouth Speaker	Ho Chi Minh City
Spoke at a TedxYouth event hosted at my school's campus. Discussed issues relating to the dangers of social media and especially the glorification of online trends which can then lead to the unnecessary endangerment of lives.		
Aug 2021 — Mar 2022	MUN club leader	
Was the head of my school's MUN club which hosts one of the largest MUN conference in the region. Trained future delegates with procedures and debating / public speaking skills in preparation for the next event.		
Aug 2021 — Mar 2022	Chair of MUN conference	Ho Chi Minh city
Chaired for the General Assembly of my school's MUN, I was in charge of approximately 30 delegates. My role as a chair was to delegate speaking roles, ensuring there was a smooth flow of the debate as well as keeping the debate within the scopes of the topic being discussed.
